Toddler Time

We are excited to introduce our newest class bringing parents and toddlers together. This weekly class will consist of arts, crafts, stories, poetry, music and a new theme each month. Together we will introduce your toddler to new experiences and activities, while giving you the opportunity to connect with other parents. It's more like a "playdate" for parents. We welcome siblings but, remember your little Picasso might need a little help from you. We plan to get messy and have fun. For more information please contact Andrea Looney at andrea.looney@cityofwoodland.org or (530) 661-2006. Please register in advance at the Parks & Recreation office. **July session will be only 3 weeks and will start a week later.*
