My Responsibility to Our Community

- Develop and enforce a specific COVID-19 worksite plan that’s implemented by a Compliance Manager.
- Post signs, visual cues, or partitions and/or redesign spaces to meet social distancing protocols.
- Actively urge sick employees to stay home. Symptom- or temp-check staff and/or volunteers daily.
- Disinfect counters, equipment, etc. on a daily basis.
- Train staff on health and safety procedures.
- Limit the number of people in a dining room, meeting space, or lounge area.
- Encourage contactless payment or paperwork or decrease handling of paper, cash, etc.
- Promote telework options and modified work schedules, if applicable.
- Provide hand sanitizer or wipes while advocating for good hygiene.
- Have all staff wear a face covering while working or interacting with the public.
