USED MOTOR OIL RECYCLING

Residents can now safely and easily recycle their used motor oil and oil filters with curbside service. To receive your free used oil container and complete recycling instructions, contact your Waste Management Customer Service Center at 530-662-8748.

it down a toilet. Recycle responsibly!

HOUSEHOLD HAZARDOUS WASTE

Yolo County opeates a free regional Household Hazardous Waste (HHW) collection center at the county landfill where residents can safely dispose of

For more information, call the Yolo County Landfill at 530-666-8729.

ELECTRONIC WASTE RECYCLING (E-WASTE)

Landfills in California are prohibited from disposing of certain types of electronic waste such as television screens and computer monitors (CRTs).

Yolo County Landfill has a recycling collection program for this type of restricted waste and various other electronic wastes that can be recycled.

For more information, call the Yolo County Landfill at 530-666-8729.

Waste Management will also arrange for a special pick up of computer waste and televisions at your home for an additional charge. Please call the Waste Management Customer Service Center at 530-662-8748 to schedule this service.

FREQUENTLY ASKED QUESTIONS: (FAQs)

- Q. Can I use trash cans or recycling containers other than those provided by Waste Management?
- **A.** No. The automated collection trucks are designed to accept only the garbage and recycling carts that have been provided.
- Q. Do I set my cart out if it's not full?
- **A.** Your garbage cart should be set out once a week whether it is full or not. You may wait until your recycling cart is full before setting it out on your scheduled collection days.
- Q. Can I change my garbage cart size?
- A. Yes. Call the Waste Management Customer Service Center for rates.

- Q. What if my recycling cart is not big enough?
- A. Call the Waste Management Customer Service Center to receive an additional recycling cart.

AND

ITCH

- Q. What happens if one of my carts is stolen or damaged?
- **A.** Contact the Waste Management Customer Service Center and they will arrange to replace or repair your cart.
- Q. What should I do with my carts if I move?
- A. To ensure proper billing, please call the Waste Management Customer Service Center to arrange for cart removal.

HOLIDAY SCHEDULE

Waste Management will not perform collection services on the following holidays:

• New Year's Day • Independence Day

Thanksgiving

• Christmas Day

If your service day falls on or after one of these holidays in a given week, your service will be delayed one day. For example, if your service day is on Thanksgiving, your collection day will be on Friday. For Friday customers during the same week, collection will occur on Saturday. Regular collection will occur on all other holidays not listed.

Remember, never pour used motor oil down a drain, in the sewer, or flush

their paint, automotive products, pesticides, cleaners, solvents and other hazadous substances.

WELCOME TO YOUR NEW MIXED RECYCLING PROGRAM!

It has never been easier to "Pitch and Roll" your recyclables to the curb. This new and exciting program has been designed to compliment your current waste collection system by making recycling more convenient - and more effective than ever before.

As part of your new recycling program, you will receive a new 64-gallon cart for mixed recycling. Program highlights include:

- An expanded list of recyclables
- Convenience of one cart for all recyclables
- Easily identifiable recycling cart with a different colored lid
- A cart that is easily rolled to the curb

This program is designed to help meet the state-mandated goal of recycling 50% of the City's waste. More importantly, recycling is the right thing to do. It conserves our natural resources and energy supplies and protects water and air quality.

This new program cannot work without your help. Please review the following information carefully and help us create a cleaner, more sustainable City.

YOUR NEW MIXED RECYCLING CART: BLUE LID
