# **GROWTH MANAGEMENT OPTIONS:**

Staff reviewed a report prepared by the Community Development Department on growth management options. The report had previously been delivered to the Council and Commission. The Council last year had indicated its goal to consider growth management policy options, and the report had been prepared in response.

Council and Commission members discussed the ideas behind the need for growth management. No conclusions were reached. Both the Council and Commission indicated a desire to discuss this separately in the future.

The Commission adjourned their meeting and departed.

#### CITY ATTORNEY SERVICES:

Staff outlined the Council's activities in reviewing proposals received for City Attorney services. The Council discussed how they favored the proposal submitted by Kronick, Moskovitz, Tiedemann and Gerard of Sacramento.

On motion of Council Member Flory, seconded by Council Member Sandy and carried by unanimous vote (with Council Member Timothy absent), Council approved an agreement with Kronick, Moskivitz, Tiedemann and Girard for City Attorney services effective February 1, 1991.

Council expressed its desire to review the arrangement in one year to determine if any changes are necessary.
