

Main Street Pavement Rehabilitation Project

Estimated Schedule

Main Street work areas as shown on the map will be closed 24-hours a day for the entire week work is scheduled. Main Street will be closed at 7:00 AM on Monday and re-opened by 5:00 PM on Friday. Additionally, Main Street will be closed entirely from Third Street to Elm Street on August 12 for resurfacing of the roadway starting at 7:00 AM with reopening scheduled for 7:00 PM.

ADA access will be maintained in the east/west direction during construction. However, for safety, no north/south access will be provided through the closure areas. North/south crossing will be maintained at adjacent intersections.

The estimated schedule shown is subject to change due to weather, emergency or other unforeseen conditions. Schedule changes will be posted on the City's website and distributed as expeditiously as possible.

Questions regarding the work and the schedule may be directed to Rob Sanders 530-661-5959.
