

# Compost/Vermicompost Bin & Electric Kitchen Composter Rebate Application

## Rebate Applicant Information (please print)

1	Name:	Phone:	
	Address :	City, State: Woodland, CA	Zip:
	Email:	<input type="checkbox"/> Check here to receive City's monthly EnviroWoodland eNewsletter	

## Purpose

2	Composting is nature's way of recycling. It provides a positive economic and environmental benefit by reducing yard waste in our streets and food waste in the landfill turning organic materials into rich soil amendments. Compost adds nutrients to our yards and gardens and helps control weeds and retain soil moisture.
