

## WHEN YOU CALL...

- *Stay on the line* and answer any questions from the dispatcher.
- Be ready to *provide details* about the activity, individuals, or vehicles (license plate numbers) involved, if you can retrieve it safely.
- Know the *name and address of the park* you are calling from.
- Give *specific descriptions of where the problem is located* in the park, like “on the north side,” or “near the big slide on the playground.”
- Calls to Woodland Police Department are prioritized. Priority is determined by the Police Department based on the availability of officers in proximity to the location, and the number of calls received.
- Maintenance calls will not generally receive a response, but are appreciated to identify issues in the parks. Give details about what you are observing so park staff can address it.

## WHAT IS WOODLAND PARK WATCH?

Woodland Park Watch is a tool to connect residents to City of Woodland staff and the Woodland Police Department.

The goal is to minimize crime, vandalism, and suspicious activity in and around City parks.

Woodland Park Watch asks park patrons to simply keep an eye out while at the park. Your eyes and ears are a valuable crime-prevention tool!

## HOW CAN I PARTICIPATE?

Woodland Park watch is set up to protect the parks that Woodland residents need to maintain a high quality of life. Any time parks get vandalized or used for criminal activity, it takes away from the quality experience that residents expect.

Whether you use the park once in a while or you attend regularly, you want to keep it safe for yourself and other park users. You are urged to keep in contact with City staff so that issues may be addressed in a timely manner.

This brochure contains information on what to report, how to report, and how you can help.

## WHEN TO CALL THE POLICE

Call 911 in case of:

- Medical emergencies
- Motor vehicle accident
- Fire
- Any other time a life is in danger

Call (530) 666-2411 non-emergency in case of:

- Suspicious activities, people, or vehicles
- Illegal activities
- Unusual events or incidents
- Dangerous situations
- Anything uncomfortable or out of place

## WHY SHOULD I REPORT?

Too frequently people are confused about what they should report and why. Additionally, the question that is often asked is, "Why should I bother or how will I benefit by reporting suspicious activity?"

Through building partnerships with the Woodland Police Department, you will learn what to report and what to expect from the police. The Police Department's effectiveness is enhanced by the proactive participation of concerned citizens and your active involvement is a key component in keeping our community safe.

## WHEN TO CALL PARK MAINTENANCE

Call the Community Services Department during business hours at (530) 661-2000; or call County Dispatch at (530) 666-8920 during nights and weekends in case of:

- Dangerous park hazards
- Vehicles in the park
- Broken or vandalized park equipment
- Large fallen tree branches
- Large amounts of standing water
- Personal belongings left behind, especially in a secluded area
- Drug paraphernalia, broken bottles, and any other hazardous waste
- Park amenities being used inappropriately
