

CHIEF'S ADVISORY BOARD

Woodland Police Department

Rogelio Villagrana

For decades, Rogelio Villagrana has been an active member of our community and has addressed the educational needs of students in Woodland and other parts of California. He has been part of a variety of community efforts and working groups to increase the supports and opportunities for youth. He is a first generation college graduate from the University of California at Davis earning a BA in 1998 and a Juris Doctorate in 2002. After being elected to Woodland School board in 2005, he worked to increase meaningful parent involvement and include youth in the decision making process. He was elected for a second term on November 2018. His desire to work with youth stems from having have benefited from many great programs.

He has shared his knowledge about leadership and educational resources with thousands of youth and their parents through educational workshops and conferences. He is an advocate for youth.
