Consumers Using Water for Longer than a Month or Using More than 1 acre foot

Water use in excess of 1 acre-foot (326,000 gallons/43,560 cubic feet) or for a duration of longer than one month will require water usage to be metered. Applicant shall be responsible for the following fees and deposits:

- \$61.00 permit processing fee
- \$2,000 hydrant meter deposit (Rate effective as of March 17, 2020)
- \$2,139 water use deposit (Rate effective as of January 1, 2021-July 1, 2021)
- \$2,256 water use deposit (Rate effective as of July 1, 2021-December 31, 2021)

The customer will be billed on a monthly basis for water use in accordance with current water service rates for the duration of the permit as follows:

- \$99.00 meter usage fee (3" meter, rate effective as of January 1, 2020)
- \$99.00 meter usage fee (3" meter, rate effective as of January 1, 2021)
- \$0.0491/cubic foot (7.48 gallons, rate effective as of January 1, 2020)
- \$0.0518/cubic foot (7.48 gallons, rate effective as of January 1, 2021)

The hydrant meter deposit will be refunded to customer, minus any cost associated with repairing damage to the meter, once the meter is removed by City staff. The City shall deduct the final water usage charge from the water use deposit, and the remaining balance will be refunded to the customer. If the final water usage charge is greater than the water use deposit, customer will be billed for the difference.

If the fire hydrant meter is lost or stolen, the hydrant meter deposit will be forfeited. Failure to pay the monthly water bill in excess of the water use deposit will result in loss of water use deposit and void fire hydrant permit. A new permit and water use deposit will be required for any additional water use.

NOTE: All meter/water fees/rates used are based on the adopted water rates in effect at the time of permit issuance.
